

Accelerating Bitcoin adoption and financial empowerment in El Salvador and beyond.

# My First Bitcoin | Mi Primer Bitcoin

My First Bitcoin believes independent, impartial, community-led Bitcoin education will change the world. El Salvador is the focus, but the mission is global. We created the world's first Bitcoin Diploma, aiming to empower individuals, businesses, and communities with the knowledge and tools essential for acquiring financial literacy and understanding Bitcoin. We also open-source our materials and processes to enable and inspire others in their own locations.

## Our Programs and Our Impact

### BITCOIN DIPLOMA

Open-source curriculum taught in over 26 regions in 18 countries. <https://miprimerbitcoin.io/en/light-node-education-network/>

### BITCOIN MEETUPS

Monthly meetups in various communities, reaching hundreds of individuals each month.

### BITCOIN INTRODUCTORY CLASSES

Engaging workshops and online courses. We've taught over 25,000 individuals in-person in El Salvador alone with this program.

## Key Objectives for 2024

- Provide financial literacy and self-sovereignty to individuals all over the world
- Develop sustainable donors and sponsorships
- Create a digital version of our Bitcoin Diploma
- Translate our Bitcoin Diploma into 20+ languages
- Develop new curricula focused on Business, Bitcoin Mining, and Youthful Learning
- Grow our decentralized education network to 40+ countries
- Impact 250,000+ students through our programs

## Legal Status

We are a registered nonprofit organization in El Salvador, and a 501(c)3 with tax-exempt status in the US.

## Target Beneficiaries
